## Missionary of the Week

☞ **Caleb & Ecko Stein, Peru**, are in the States on furlough right now. They ask us to pray for furlough meetings and travels, health difficulties, financial support, and ministry changes and challenges. They also have these requests for their church in El Milagro, Christ is the Way Baptist Church: legal formation of the church, spiritual growth of male leaders, Sunday school attendance and teachers, and long-term stability and growth. They appreciate our prayers for their seminary. The new school year is about a month old, and they have 54 full-time students, 17 of whom are new this year. Prayer requests for the seminary ministry include faithfulness and spiritual unity of students and faculty and stronger relationships with Peruvian churches and pastors. The Stein family will be here in our church on May 5.
