Missionaries of the Week

☞ **Caleb & Missy Metzger, Germany**, will have been on the field for one year this month. They are thankful to God for His provision for them and are rejoicing in what He has done in and through them this past year. They were able to purchase a Volkswagen van shortly after they arrived and are grateful for the passenger and luggage space. They have studied a lot of German over the last year and ask that we pray for them as they continue their studies. Learning the language is the largest part of their ministry right now so that they can minister effectively in the future.

"We give thanks to God...praying always for you."
Colossians 1:3
