**Daniel & Erin Lang, Nigeria**, ask for prayer for their "Who Will Go?" youth camps. They have successfully completed one, will have the second one March 28-30, and the third one will be July 11-13. Last week, the average attendance was 150 each night, and there were many decisions made for future service for Christ. We can pray that many more Nigerian young people will surrender to do whatever God calls them to do.
