Missionaries of the Week

☞ **Mike & Stephanie Smith, Legacy Trade College**, write, "This week, we are blessed to have a mission team from Montrose, Colorado, with us. These six men are knowledgeable and skilled; they have worked tirelessly on our house. They also brought donations for our house and for the school. This has truly put the wind back in our sails and encouraged us more than we realized we needed! Thank God with us for this group of His servants...(Mike will speak at our supporting church in Katy, TX) then our students will join him there, along with our shop teacher and friend in ministry, Caleb Daniels and his family. The eight of them will head to Southland Camp, where they will be building a carport and helping with some sponsor housing on the campsite. This will be a great opportunity for hands-on experience for the guys in building while on a mission trip ..."
