Missionaries of the Week

We can pray for some specific efforts our missionaries are making to share the gospel in the near future:

Ben & Ashley Fairchild hold a young adult meeting once a month. They write, "For next month, Ben has invited a fellow believer and business professor from a nearby university to attend as a guest and be interviewed. We're praying for him to take the chance to express his faith in Christ openly..."

Chris & Darcy Vergiels, Brazil, write, "[In] the month of May, we have two big events. The first is the mother/daughter tea on Saturday, May 4. This will be the first time many of our new members can invite their unsaved moms and grandmoms to this evangelistic event. Please pray for Lara (the Vergiels' daughter-in-law), as she prepares to share God's Word." (The other event is their church anniversary.)
