Missionaries of the Week

☞ **Caleb & Ecko Stein, Peru**, write, "We have been given a date for our children's citizenship in the U.S.! We are to appear before an immigration officer on June 26 in Louisville, KY. We are currently renewing our adopted children's identity documents and passports and then will apply for emergency visas from the U.S. embassy so that they can travel to the States. We should arrive in the U.S. in late June and hope to rest for a few weeks before beginning furlough in mid- to late August...Joseph and Jack both plan to work at Camp Chetek in Wisconsin during June and July. Please pray for spiritual growth and physical health...Caleb is returning to his doctoral project after many months of being tied up with ministry responsibilities. The goal is to finish soon."
