Missionaries of the Week

Ryan & Amparo Pennington, Bibles International, write, "On Wednesday nights, Amparo gets to help lead a ladies' English Bible study in our neighborhood. Last month, they started a study on the gospel of Luke. The group has doubled in size, sometimes having 20 ladies attend…God has given Amparo opportunities to support and disciple individual women who live in our community.

Please pray for our family as we seek God's will regarding taking our first furlough next year. The timing of the furlough and many other related matters, including maintaining our Thai visa, are specific ways you can pray with us. Also, please pray as we seek for additional supporters…our support level is at 93%. This lack partly has come through an economic shift here on the field and partly through personal supporters needing to lessen their giving. Our God is sovereign over all these matters, and we are trusting Him. One last request: please pray for God's guidance and provision as we look into trading in our vehicle.
